

Below are the steps that you can follow to register your and your family details in ANZ Connect Web Portal:

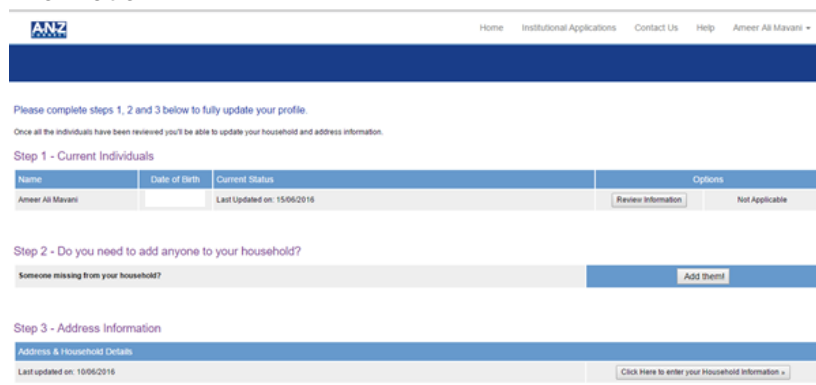

1. Individual logs into the system with login credentials
2. Upon successful login:
 - a. If the individual has logged in for the first time, individual will be asked to accept “Terms of use” checkbox.
 - b. Individual is able to view either the home page or is presented with the link to update personal details (if personal details are not updated since last 6 months)

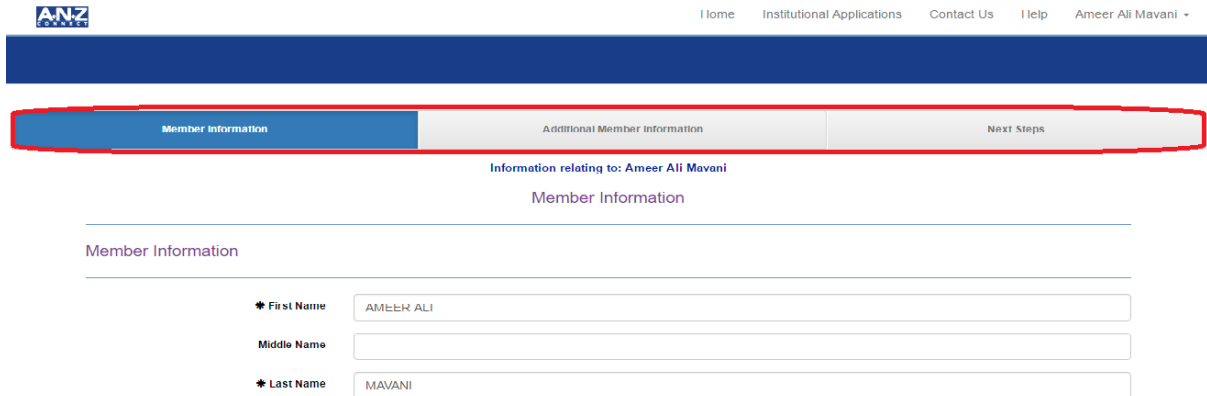

3. Individual member selects “View/Edit personal and contact information”, which allows the individual member to update the profile.
4. Individual member is also able to select the Edit profile menu option from the home page and is able to update the profile.

5. Individual member is able to view/update personal profile where individual is able to review his/her current information, add household members and update address information.

6. Individual member is able to select “Review information” button and fill in the details. System displays the following options for the member to fill in the details
- Member Information
 - Additional Member Information
 - Next Steps
